REMARKS

25X1X

1.
25X1X

[REDACTED] that a former airfield and seaplane base was near the shipyard and that the five hangars and barracks buildings at the airfield were being used by the shipyard. * Prime Minister Ulbricht inspected the shipyard on 19 August 1950 and allegedly declared that the shipyard was scheduled to manufacture gliders. ** The local resident also said that a hangar at the shipyard was being improved for this work.

25X1A

* [REDACTED] Comment. The information that the hangars and other buildings are being used by the shipyard was previously [REDACTED] See [REDACTED]

25X1A

An air force unit is not believed to be stationed in Puettnitz. There are no indications that the field is to be reoccupied by an air force unit.

** [REDACTED] No other reports have been received that gliders are to be manufactured in the shipyard.
